

# University of Family Learning (UFL) Course Catalog 2023-2024

The **University of Family Learning (UFL)** is an invitation for adult family members of current and future CCSD students to access valuable educational information and networking opportunities that will increase both family and student success. Family and community members are invited to participate in a variety of courses and workshops in four focus areas. Every UFL course or workshop offers credit for hours of participation. Participants who meet the yearly goal of fifty (50) credit hours are recognized at an end-of-year "Ceremony of Achievement."

**Scheduling:** At this time, classes in the course catalog can be held in a variety of formats, including in-person, via live virtual session, and/or via pre-recorded content. For details on a specific class or to schedule a course, please contact your assigned staff member listed on page 2. If no contact is listed, please email [familyengagement@nv.ccsd.net](mailto:familyengagement@nv.ccsd.net) and we will route your request to the appropriate staff member.

Please be advised that a school/organization staff member **must** be present during sessions to assist with any site-specific questions that may arise. At this time, the majority of courses can be offered in English and Spanish.

Once scheduled, marketing flyers will be shared with the school/organization for promotion and advertising. Please work with your Family Engagement contact for any additional needs specific to your school/organization.

**Focus Areas:** (Please click on the area below to be directed to that section of the catalog.)

- [Parents as Teaching Partners](#)
- [Navigating the School System](#)
- [Involvement, Leadership, and Advocacy](#)
- [Promoting Wellness and Development](#)

*\*Please note: To ensure that we are able to provide services equitably to all schools, we are available to schedule 1 Family Engagement taught workshop and 1 community partner workshop per month at any given school. Additionally, schools may schedule up to 3 early childhood workshops per academic year.*
