

BODIES™

THE EXHIBITION

and

TITANIC

THE ARTIFACT EXHIBITION

TWO exclusive offers to honor Clark County School District teachers!

May 6 - 10, 2024

At BODIES...The Exhibition, marvel at the wonder and power of the human body as you ponder what, exactly, makes us human. View real human specimens, carefully preserved, and respectfully displayed.

The grand story of the “Ship of Dreams” is revived through TITANIC: The Artifact Exhibition. With over 350 real artifacts, the Exhibition includes dramatic room re-creations and is the only place to see the largest artifact ever recovered from the wreck site, a 15-ton section of the *Titanic*’s starboard hull, appropriately called “The Big Piece.”

Ask about how you can bring your elementary, middle, or high school class to a field trip to the Exhibitions and access our Teacher Resources by scanning the QR code.
